II. Electronic Databases: Periodicals

Electronic databases may be used to find full-text articles in newspapers, magazines and journals. The databases may be accessed by using the Begley Library web site: www.sunysccc.edu/library/. On the home page, select the link FIND ARTICLES or select a drop down menu subject menu and find the link for FIRE PROTECTION.

Some **FIRE PROTECTION TECHNOLOGY** print journals to which the library subscribes are:

Fire Chief	Fire Science Today
Fire Command	Fire Technology
Fire Engineering	Firehouse
Fire Journal	NFPA Journal
Fire Engineering Today	

III. Internet

A good internet site is the U.S. Department of Energy -- Environment, Safety, and Health Web Page. <http://tis.eh.doe.gov/fire/fire.html>. Here you can find the Department of Energy's Code of Federal Regulations, NFPA codes and standards and the Department of Energy's Fire Protection Program Newsletter.

Another site is the United States Fire Administration's webpage: <http://www.usfa.fema.gov>. It includes a link to the Federal Emergency Management Agency's page.

IV. Media Materials

These materials are located in the Instructional Technology Center on the second floor of the library. They may be found by searching our **ONLINE CATALOG**, using the same subject headings that can be used to search for books.

V. Librarians

REFERENCE LIBRARIANS will be glad to assist you in locating materials or in the use of the catalog, indexes or Internet. Feel free to ask for help.
